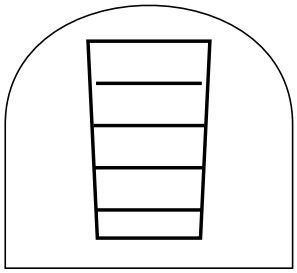
GLADIUS

+1 to your attack.

PALACE TREASURE - LOCATION CARD



LORICA SEGMENTATA

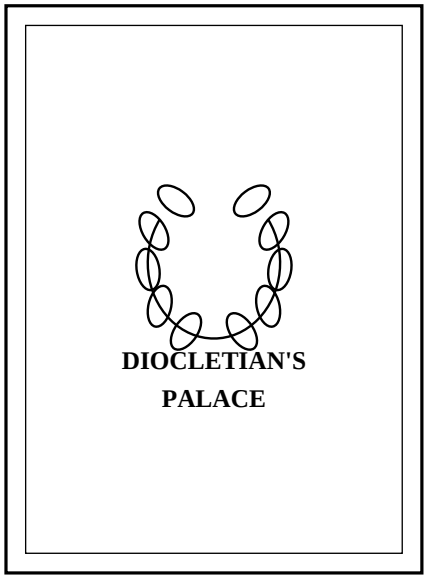
Once: a beaten claimant stays put.

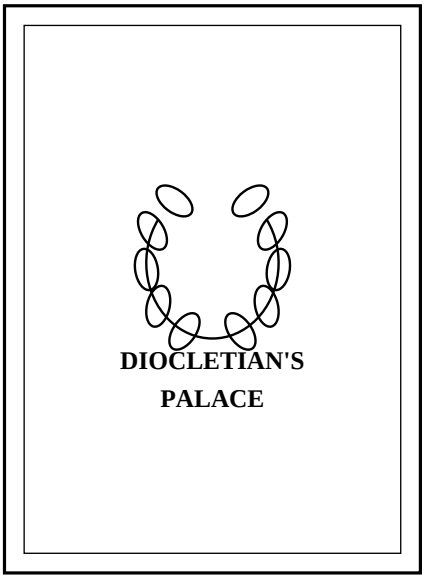
PALACE TREASURE - LOCATION CARD

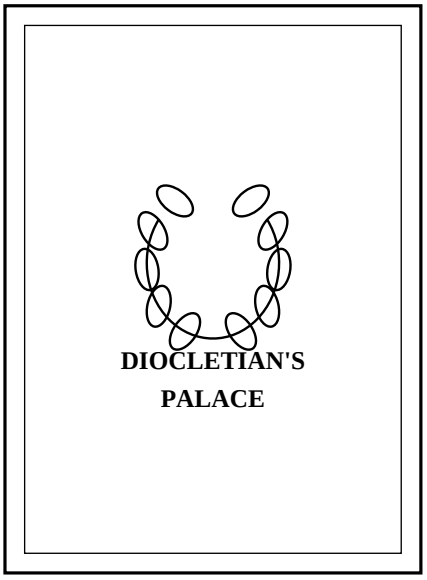
Shuffle face down and deal one card to each treasure entry A-F. Then turn two of the six face up at random - everyone sees those two treasures from the start. Each card states its ability; in a duel count one best bonus per side, never a sum.

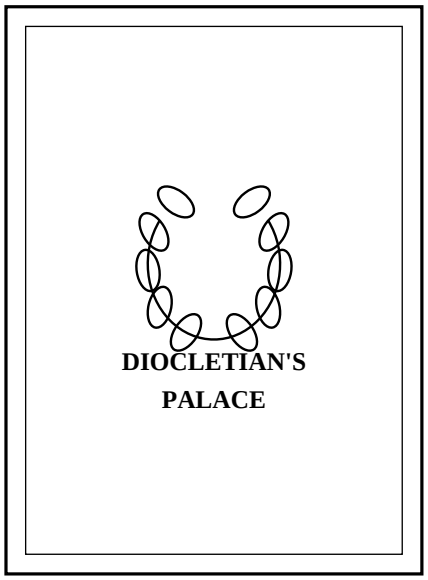
CARD BACKS

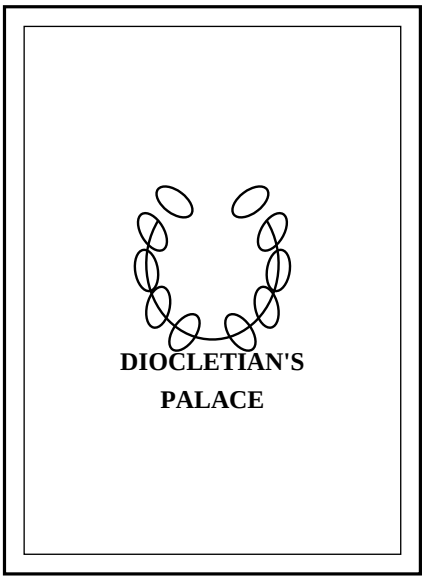
six identical tiles - glue or fold behind each card

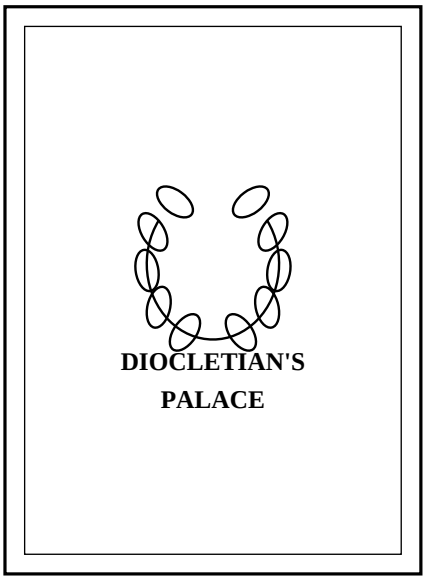












TOKENS

cut out - fold the pawns and tape them upright
